A HIP HOP CHRISTMAS

Christmas is just around the corner & things are happening at the North Pole. Santa is getting ready for Christmas but there seems to be a problem. J-Frost & his partner Junior Frost are up to something. It seems J-Frost now wants to be the 'man', have everyone know who he is & that he will be in charge of Christmas - not Santa Claus. He is even having a song written about himself! He plans on having his debut world concert tour to take the attention away from Christmas.

Luckily Santa has some very special helpers. Christian, Lisa & Santa's elves have better ideas. They soon find out that J-Frost wants all the girls & boys to give him presents at Christmas. They soon let J-Frost know this is not the Christmas Spirit - Christmas is about giving! Come & see how Christmas is saved & sing along & enjoy all your favourite Christmas songs.
